Dashboard Layout Description:

1. Filters (Top of Dashboard):

- Dropdowns for selecting Month and Region.
- Allow users to view sales data specific to time and area.

2. Bar Chart (Left):

- Displays 'Sales by Category'.
- Helps identify best-selling product categories.

3. Line Chart (Center):

- Shows 'Sales Over Time' by month.
- Helps understand monthly trends and seasonality.

4. KPI Cards (Right):

- Highlight 'Total Sales' and 'Total Profit'.
- Provide quick summary of performance.

5. Map (Bottom Right):

- Visualizes 'Sales by Region'.
- Useful for regional comparison.

This dashboard is ideal for executives or sales managers seeking a high-level overview of performance across dimensions.
